Application No. 09/583,519

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences on June 20, 2005. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below.

A review of the file reveals that the required fee for the appellant's Notice of Appeal filed on January 29, 2004 was not entered. In addition, on June 1, 2004, the appropriate extension of time fee was not charged to the appellant's account (i.e., Appeal Brief filed 2 months after required filing date not 1 month) for the Appeal Brief. Before further review of this file, the Notice of Appeal fee and the appropriate extension of

Application No. 09/583,519

time fee for filing the Appeal Brief must be applied to the appellant's account.

Accordingly, it is

ORDERED that this application be returned to the examiner for: 1) entry of the required Notice of Appeal fee; 2) appropriate extension of time fee for filing the Appeal Brief of June 1, 2004; and 3) for such further action as may be appropriate.

It is important that the Board of Patent Appeals and Interferences be informed promptly of any action affecting the status of this appeal (i.e., abandonment, issue, reopening prosecution).
